

Dragon

If your oven breaks down on Thanksgiving morning this is what you should do.

First you find dragon.

Next you bring it home.

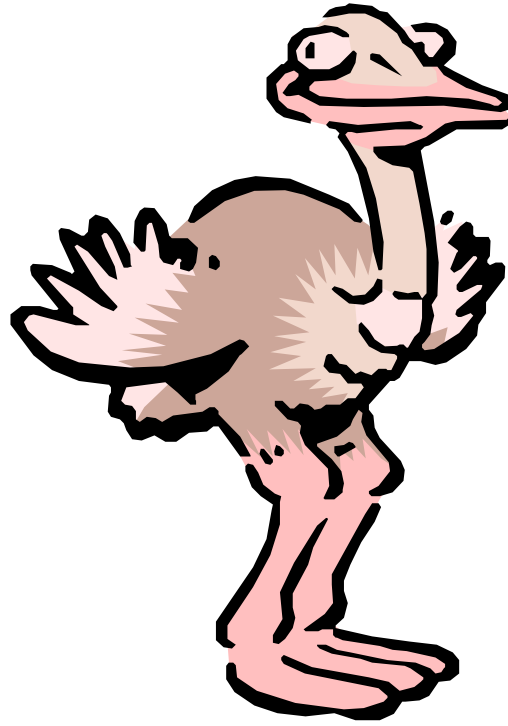

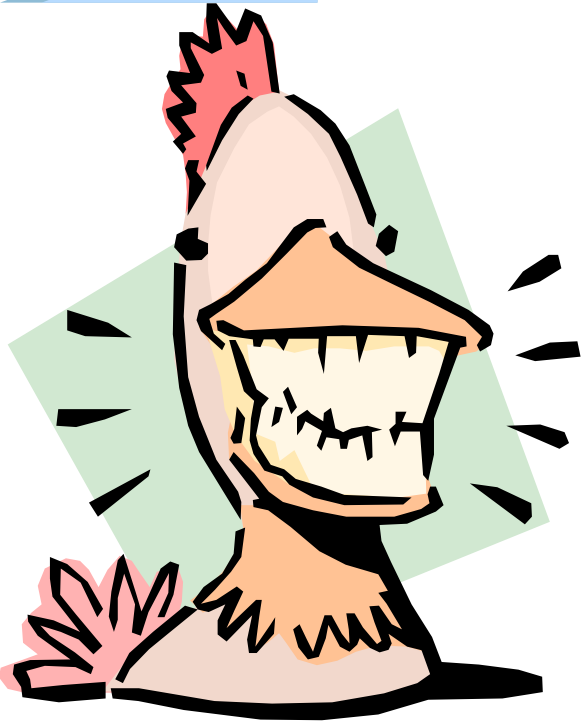

Then you ask the dragon to breathe fire

After that you add mash potato

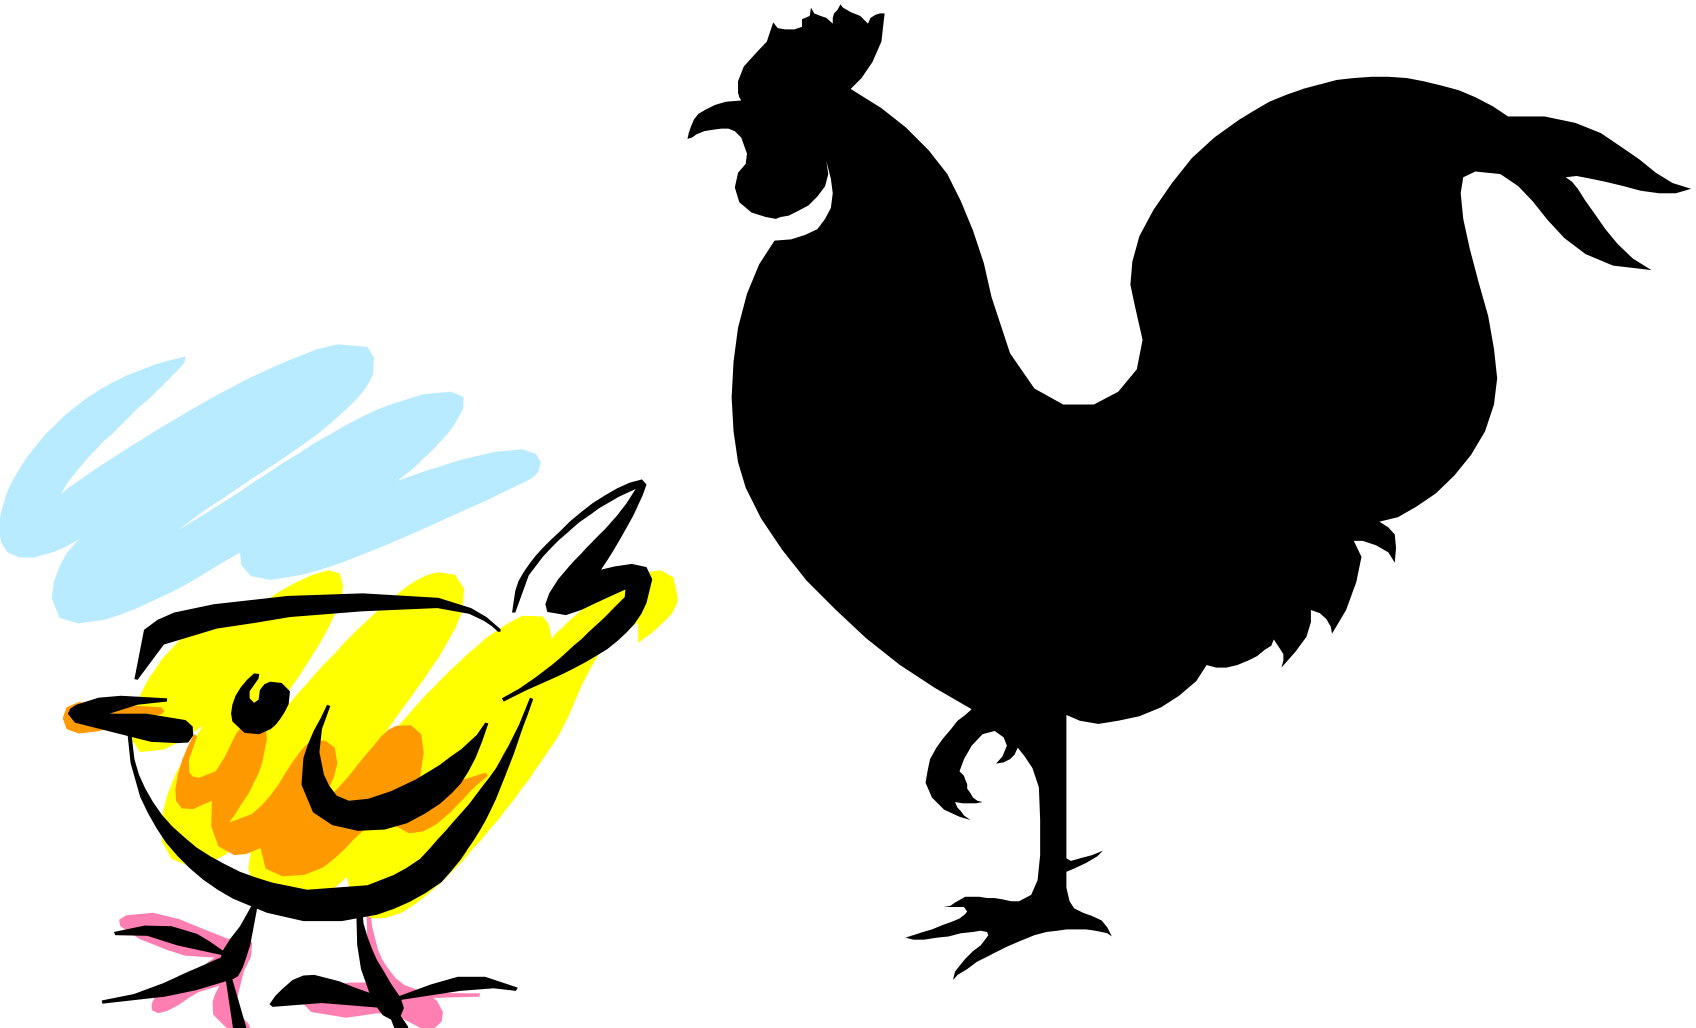

Finally it should be ready.

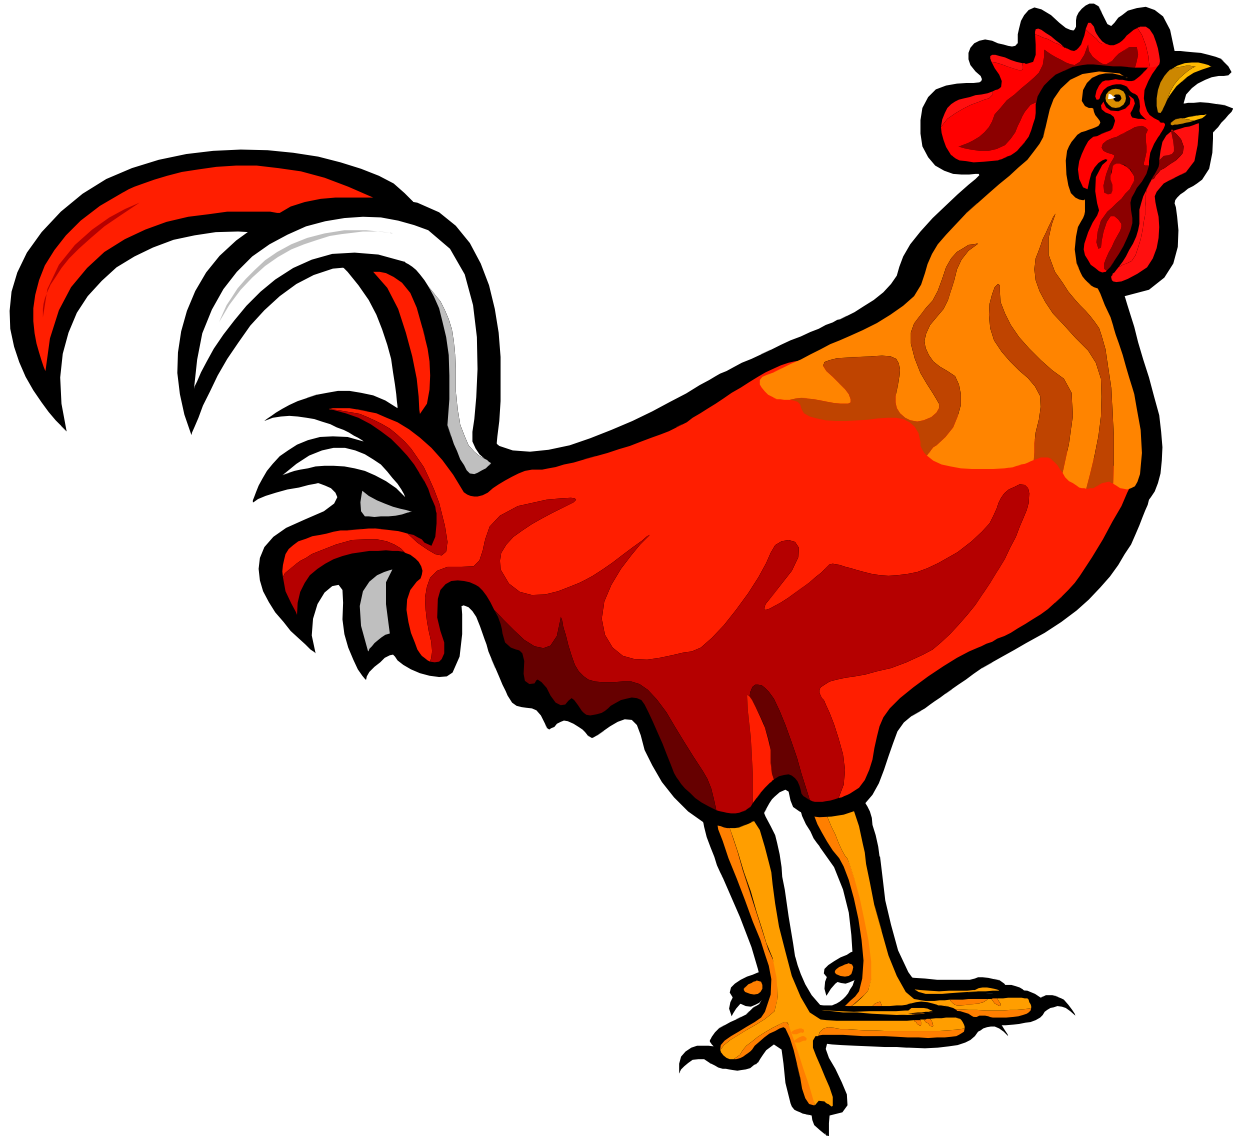

Make sure the temperature is one degrees and cook it for to three hours.

Before cooking add mash potato.

Serve the turkey with cake.

The turkey will smell good.

Look good.

and taste good.
