

The ugly girl

Once there was a ugly girl named Erika she was really ugly she had a mole on her nose . It was really ugly. The mole was huge and had hairs growing out of it.

Erika lives in a haunted house.

Her doors creak and squeak . Her house has spider webs.

She has hairs on the ground .

Her bed is ugly .

One day she ate a fly and turned into a Vampire.

She flew everywhere. She broke a lamp.

Then she started melting.

The next day she turned into a human and played with the kids and lived happily ever after.
