

Lilly's bad day

By Chloe

Once upon a time there was a little monster named Lilly . She was 4 years old. She had pink hair . She liked cheesy eggs and bacon . She looked like a person but she did not look like a monster .

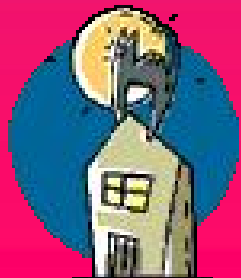

Lilly lives in a pretty house with a flower bed. There are pink walls. She has a pink lap top. There is a pool. She has a nice TV. It has a nice bath.

One day Lilly got very sick . She was very sad because she could not play out side. Her friend Miley visited her but she was still sad.

THE END

The next day Lilly's mom got her medicine.
The medicine was pink. Then she felt better.
