

# BLOODY SCREAM

By Trent

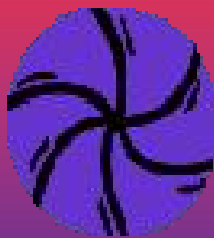

Once there was a bloody scream. He sucked souls. He never cries. He is very deadly. He only has one friend his name is Trent. He likes blood too. Yum said Trent.

Scream was mean to everybody but not Trent. Trent saw what was going on. He was trying to tell Scream but he was not listening.

Scream lived in a haunted castle. It has rusty armor. There are lots of ghosts.

Bloody scream heard someone who said  
“stop it!” Trent said, “stop hurting my other  
friends.” Scream stopped. He was so sorry  
to Trent's friends.
