

Thanksgiving

Every year we celebrate Thanksgiving at the park. My mom will be there, she is nice and my brother is mean and my little sister and my dad and we are going to eat turkey .

The park is fun. I see kids and I hear birds singing
and I smell turkey.

This year everything was going great until the oven broke. I had to do something fast or Thanksgiving would be lost. First we brat the turkey to the park next we cooked in the barbecue. Then we finish. After that we cooked the turkey so we can share. Finally we eat the turkey. I made sure the temperature was 49,000 degrees and cooked the turkey for 3 hours before cooking I added salt. We served the turkey with peppers. The turkey smelled good looked nice and tasted like a turkey.
