

# Turkey

Every year we celebrate thanksgiving at my house. My mom will be there she is nice. My dad will be there he is cool. My brother will be there he likes bears. My sister will be there she is funny. My baby sister will be there she cries. I will be there to. I am so happy. Happy thanksgiving.

My house is good. I smell food. I smell flowers. I smell bread. I hear talking. I smell turkeys.

This year everything was going great until the oven broke. I had to do something fast or thanksgiving would be lost. First I go in the car. Next I went to the shop. Then I bought an oven . After that I went home. Finally I cook it. I made sure the temperature was 20 degrees and cooked the turkey for 2 hours. Before cooking I added candy and chocolate. we served the turkey with barbecue sauce. The turkey will smell good and looked nice and it taste good.
