

Thanksgiving

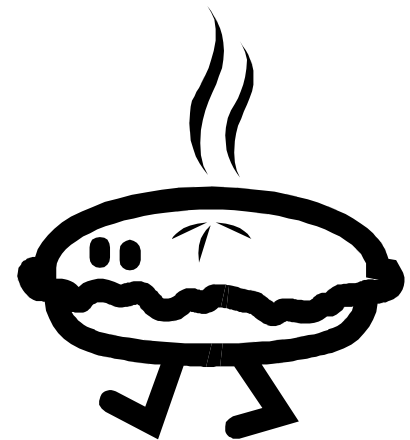

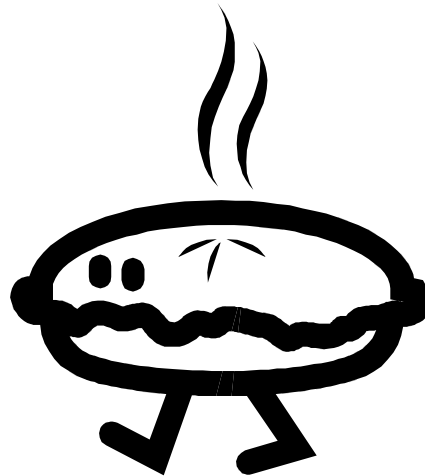

Every year we celebrate Thanksgiving at my house. My grandma and grandpa come to my house for dinner. And my family my uncle will be there too. He is so funny, he is cool . We like to eat turkey. We have lots of fun on Thanksgiving and we play a lot of games. Me and my sister like to play.

My house is clean. My house is big too. Every year I wake up early for Thanksgiving dinner. Me and my sister make turkey and cookies .

This year everything was going great until the oven broke. I had to do something fast or thanksgiving would be lost. First I flew to outer space with my dads car. Next I filled a bucket with the sun. Then I used the sun to cook the turkey. After that I put it on a nice plate. Finally my family started to eat. I made sure the temperature was 900,000 degrees and cooked the turkey for 3 hours. Before cooking I added slot. We served the turkey with lemon and corn and enchiladas. The turkey smelled good and looked yummy and tasted good. Thanksgiving was saved.
