

# Horrible Harry and the Purple People.

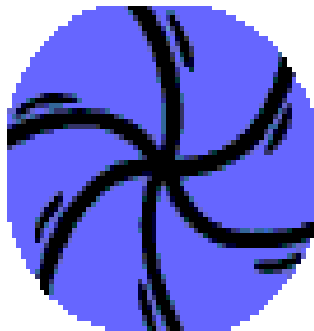

This is a review of the book Horrible Harry and the Purple People . The story was about Harry talking about purple people , everyone in room 2B didn't believe Harry. The main characters were Harry and Mary . The main characters were fighting about purple people . The problem was they didn't believe Harry. My favorite character was Harry because he has big imagination 😊.

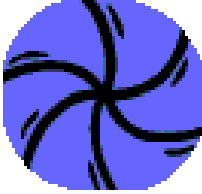

Harry acts like me a lot because I have the same problems as him. I have felt mad at someone that they didn't believe in something I said like Harry . I have the same advancers as Harry . My big sister acts like Harry in a girl way 😊

I like the book because the purple people looked funny . My favorite part was when Harry saw the purple people because it was funny . My least favorite part was when Mary didn't believe Harry . I would change the part where Mary didn't believe Harry to Mary believing Harry .

I would recommend this book to friends and family. I would also like to help people read this book.
