

The Haunted Ship

One day a dead pirate came up to me she want to be my friend.

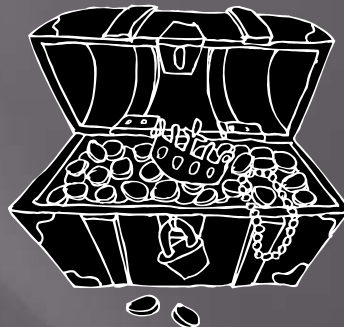

She is a dead pirate. She has black hair.

She lives in a haunted ship.

There is hot water around the haunted ship.

She wanted to live in my hunted ship.

She is sleeping in Mr. Hook's room.

They were in side in the haunted ship. There were bats and alligators outside of the ship.

There was a vampire and a mummy in Mr. Hooks room.

It was midnight and all the other creatures were sleeping except the vampires and wolves.

One day the people pushed the haunted ship and it hit a rock and it sank to the bottom of the ocean.

The next day we went to the haunted boat store and bought a new boat. Then we kicked the people off the boat and went sailing far away.
