

Cloudy with the chance of meatballs

This is a review of the book of cloudy with the chance of meatballs. In the beginning dad was fixing pancakes and then the dog came chasing the cat. Next the pancake fell on the son. The dad told the kids a story about chew and swallow. The main characters are mom, dad, brother and sister. I like the dad because he's realistic.

CLOUDY WITH THE CHANCE MEATBALL'S

- I like the kid's in cloudy with the chance of meatball's because they play in the snow and were having lot's of fun out side.

CLOUDY WITH THE CHANCE OF MEATBALL'S

- The book was awesome. My favorite part was the middle because there was food in the sky. The least favorite part was when the food got bigger and bigger.

CLOUDY WITH THE CHANCE OF MEATBALL'S

- I would like to share this book to my closest friends. I think Cory or other people would like this book.
