

THE SNAKE

My name is Colleen.

I am 7 years old.

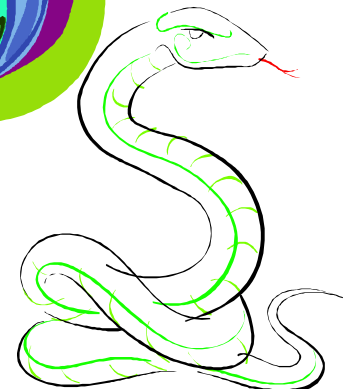

I like to have fun.

I live in a tan house.

I have 4 bedrooms.

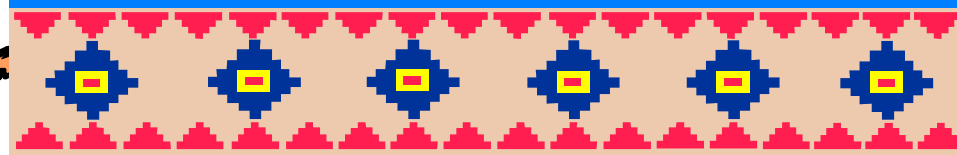

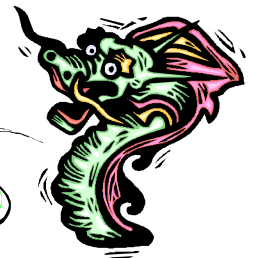

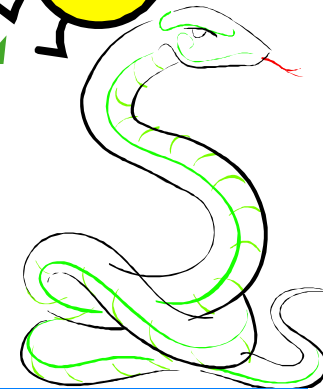

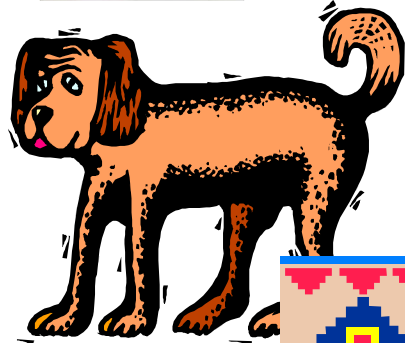

I have books. I have a roof.

Last Summer I had a rattlesnake in my back yard.

I was scared.

My dad told his dad that there was a rattlesnake in the backyard.

This is how my dad solved this problem. He told me to stay in the house and told his dad there was a rattle snake in the backyard where our trash can was. They killed him with a long stick thing.
