

Little Mouse and the Big Red Apple.

This is a review of the book Little Mouse and the Big Red Apple. This story is about a mouse who found an apple. The main character is the mouse and he rolls the apple all the way home! The apple keeps on rolling in to trouble. The mouse`s adventure was that he traveled with the apple. My favorite character was mouse.

Mouse is a lot like my sister because she doesn't share just like mouse. She doesn't share anything! When she has something new she still doesn't share.

I really like this book. I like the middle because he got all the way home.
My least favorite part is when mouse didn't get to eat. I would change the
end so mouse can eat!

I would recommend this book to others! I think my sister would like it!
