<ul style="list-style-type: none"> • Basic skills for creating interactive web pages using <i>Google Page Creator</i> • Introduction to the Web Page Design • Create Blog using Blogger 	<ul style="list-style-type: none"> • Add Google Web Calendar • Create interactive games • Add Picasa Photo Album • Explore other Google Tools
--	---

Course Materials:

All necessary course material is posted online

Evaluation/Outside Project:

Students will be evaluated on participation and completion of the in-class practice assignments. Twelve hours of additional outside practice is required for two credits. To earn three credits all students must complete an outside project. The student with the approval of the Instructor will select the content of the project. It should include 12 hours of combined practice and project, and must be submitted by disk or e-mail within 1 week of completion of course. A rubric for evaluation of the project will be provided to the participants during class.

Student Handbook/Catalog:

Participants should refer to the Ottawa University Student Handbook for all University Regulations.

Disclaimer:

Course content and schedule may vary from this outline to meet the needs of a particular group of participants. The instructor will explain the rationale for any variance as it occurs.
