PowerPoint Games

The following is the syllabus for the graduate course at Ottawa University. The syllabus is aligned to the [appropriate state/national standards to which the course applies] and Arizona State Teacher Standards.

Description:

Class will explore PowerPoint games utilizing various game templates. Templates include variations of Jeopardy, Who Wants to be a Millionaire, Twenty Questions and more. Templates can be easily modified to meet specific needs and can cover almost every curriculum topic. Participants must have the capability of sending or saving large files. Prerequisite: PowerPoint for Teachers is recommended. **Twelve hours of additional practice required for two credits. An additional outside project will be required to earn three credits.**

Evaluation/Outside Project:

Students will be evaluated on participation and completion of the in-class practice assignments. Additionally all students must complete an outside project as described on page 7 of the Ottawa University catalog. The student with the approval of the Instructor will select the content of the project. It should include 12 hours of combined practice and project, and must be submitted by disk or e-mail

within 1 week of completion of course. A rubric for evaluation of the project will be provided to the participants during class. *To earn 3 credit hours an **additional** outside project is required.

Student Handbook/Catalog:

Students should refer to the Ottawa University Student Handbook for all University regulations.
